

GUILD SOURCEBOOKS

An abstract painting featuring several stylized faces with closed eyes, rendered in a palette of yellow, pink, blue, and red. The faces are set against a background of soft, blended colors. A central text box is overlaid on the painting.

Shari Cornish's art carpets are each developed as an interpretation of her original paintings. The premium quality rugs are created by working in collaboration with production artisans in the U.S. to achieve the lush texture and rich color that complement either private or public spaces. The carpets are hand knotted using 100% New Zealand wool.

Information regarding costs and commissions is available upon request.
